3 ACADEMIC INFORMATION

Full course load per semester:

Except different rules from home universities, an exchange student must take a full course load at Universidad Externado, which is equivalent to 18 credits per semester (around 6/8 subjects).

1 credit = 48 study hours/semester

4 ELECTION OF COURSES

Foreign students are authorized to select courses from different programs; however, they must take at least 60% of credits in the school of registration. The exact number of courses or ECTS credits must be determined by the home institution. Before coming at Externado, students must pre-select their subjects through the Connex system.

5 PROFESSIONAL VOLUNTEERING PROGRAM

The School of Finance, Government and International Relations proposes a Professional Volunteer Program, which offers our visiting students the opportunity to increase the socio-cultural knowledge as a complement of their academic activities.

The program allows students to work with some recognized Colombian and International NGO's such as *Barefoot Foundation* and *Techo* among others, getting to know the real needs of the most vulnerable Colombian population.

The students receive academic credits for this activity. The number of credits will depend on the number of worked hours. The registration process starts at the beginning of each semester.

For more information, you can visit the program website: <https://www.uexternado.edu.co/finanzas-gobierno-relaciones-internacionales/programa-de-voluntariado/>

6 LANGUAGE REQUIREMENTS

Spanish level determined by each academic unit in Universidad Externado (minimum B1-maximum B2)

7 HEALTH INSURANCE

All exchange students are required to enroll in a comprehensive international health insurance and present it once they arrive.

We will only accept insurances that are in either English or Spanish

8 LIFE IN BOGOTÁ

Accommodation

Universidad Externado does not have on-campus accommodation. However, the University has agreements with [LivvinX](#) and [CityU](#) two residential buildings that offer student dorm style accommodation and provide a special discount for international exchange students from Universidad Externado. Your students can check the webpages in the links above.

Expenses

It is important to know that Bogotá is the third most expensive capital of Latin America. Depending on the needs, the average expenses per month could be around 400 \$US / 600 \$US.

Some estimated expenditures

Housing:

Apartments: from 200\$US to 400\$US/month

Food: 150\$US/month

Lunch in a restaurant close to the University: 5\$US (15000 Pesos COP)

Public Transport: 50\$US/month

9 ORIENTATION WEEK

International Student Orientation Week takes place one week prior to the beginning of each semester. During this week, the faculty organizes activities to help our visiting students to familiarize with the University, the city and the structure of the academic system at Externado. This time is also allocated for students to have a chance to look for housing options, a process that we support through a tour of the neighborhood and direct contact with students interested in hosting visiting students.
